# Getting What You Need Just Got a Whole Lot Easier

*One Supplier. One Call. All the Water Quality Essentials — Made Easy.*

ClearTech Industries is proud to announce that we are now an official distributor of Hach, the global leader in water analysis instrumentation.

This isn't just a new offering — it's a purposeful step forward to bring you **unmatched value, expanded product selection, and exceptional service.**

We're combining the strength of Canada's **#1 trusted independent chemical supplier** with the innovation of the **#1 equipment brand in water quality** — all in one place, all with one call.

Why now? Because our customers deserve the best.

And because **Good Chemistry** and **Be Right** aren't just taglines — they're promises.

**Be Right™**
